Donnie and Darryl, it would be great if you could send us any feedback by mid-day tomorrow so that we can incorporate any changes and circulate more widely. We understand that there will be many additional layers of approval, but in the short term our goal is to get people to buy into the concept. Thanks so much for your time and attention to this request.

Good morning,

As a follow up to yesterday's meeting regarding our two SPOT indicator changes, I'm sending you two audio clips (current national p/w) with Carl and the OTWE panel discussing (b)(3)-49 U.S.C. § 114(r)

(b)(3)-49 U.S.C. § 114(r)

(b)(3)-49 U.S.C. § 114(r)

I also reached out to a couple colleagues to get their input, and it looks like we're on the same page.

Audio Overview:

(b)(3):49 U.S.C. § 114(r)

SME Discussion:

(b)(3):49 U.S.C. § 114(r)

I hope this helps,
