Darryl,

Per your suggestion and as discussed yesterday, attached please find revised SPOT indicator language reflecting corrected references to the new names of the factors in the (b)(3);49 U.S.C. § 444(g) exemplars columns. Please let me know if you need any additional information.

Darryl and Donnie,

Thank you for your feedback on proposed OCC language regarding the (b)(3):49 U.S.C. § 114(r)
(b)(3):49 U.S.C. § 114(r) We reviewed your comments and suggested edits and were able to adopt many of your recommendations. Where we revised the language from the version previously sent to you, we attempted to balance your concerns with language which reflects constitutional considerations.

A clean version of the proposed language to be included in the Behavioral Indicator Reference Guide (and SPOT form) is attached for your review. If you would like to meet to further discuss the language or have any questions, please don't hesitate to contact me.

Many thanks for your continuing assistance. It is greatly appreciated.
