This section below has been pre-populated from the information listed in your COPS Agency Portal Account. If this information is no longer correct, please log in to your COPS Agency Portal account and make the necessary corrections before proceeding with this application. Your agency previously indicated that if awarded, this grant would be used in a written contracting arrangement to receive law enforcement services (e.g., a town which is contracting with a neighboring sheriff's department to receive services). Therefore, question 4A, should display the executive information for the agency which will be providing the law enforcement services under this grant (e.g., Sheriff). Question 4B should display the executive information for the government agency which will be receiving the law enforcement services under this grant (i.e., Mayor, City Manager, etc.). Before proceeding with this application, we ask that you please log onto the COPS Agency Portal to update the agency providing law enforcement services as your Law Enforcement Executive/Agency Executive Information. This information will be used to populate Section 4 of this application, so please ensure its accuracy.
