All-

Here are the materials for the GCTF meetings in NYC this week. As A/S Heyman mentioned at the last CVEWG call there is a focus of the GCTF on CVE but there is also a focus on broader issues like Kidnap for Rasom, Rule of Law and regional focuses. I have provide all of the documents but you will likely just be focused on the CVE materials. If you have any questions please let me know. A/S Heyman will provide a read out at the next CVEWG next month.
