Hi Quintan,

Per your discussion with Nate earlier, attached is the draft agenda for the White House CVE conference on January 18, 2011. Let us know if you have any input on the agenda or additions/subtractions to the participant list. Would be ideal to have you participate in this and we included you as the main speaker in the opening session

Hey man – wanted to make sure you saw this as well.

I know that Jake talked to Brian about this today.

Have you been looped in?

Thanks,

-Nate
