Greetings.

Thanks again [redacted] for taking the time to summarize the notes of the last meeting. I have not seen comments from anyone so far. I am myself late in providing my feedback. Better late than never!

Please see below my relatively minor comments on the major point of discussion at the last meeting.

CEPP Colleagues

Here is a draft two of the minutes from our last meeting on Friday February the 6th. No one is bound to the below. This is a revision to the past draft and I think we all anticipate a few more. Please advise if anything is not accurate or was missed:
