Re: *American Civil Liberties Union and ACLU of Massachusetts v. United States Department of Justice, et. al.*, CA No. 1:12-cv-11776

Dear Ms. Crump:

Pursuant to the above-captioned civil action, the Drug Enforcement Administration (DEA), conducted a litigation review of potentially responsive records in compliance with the Joint Status Report dated April 23, 2013. As a result of that review, enclosed please find seven pages.

Portions not released are being withheld pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and/or the Privacy Act, 5 U.S.C. § 552a. Please refer to the list enclosed with this letter that identifies the authority for withholding the deleted material, which is indicated by a mark appearing in the block next to the exemption. An additional enclosure with this letter explains these exemptions in more detail. The documents are being forwarded to you with this letter.

DEA's FOIA regulations are contained in the Code of Federal Regulations, Title 28, Part 16, as amended. They are published in the Federal Register and are available for inspection by members of the public.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions regarding your request, you may contact Assistant United States Attorney Jennifer A. Serafyn at 617-748-3188 or Jennifer.Serafyn@usdoj.gov.

Sincerely,

Katherine L. Myrick, Chief
Freedom of Information/Privacy Act Unit

National License Plate Reader (LPR) Initiative

The EPIC National License Plate Reader (LPR) Initiative is designed to not only support DEA and the mission of DEA, but to support all of law enforcement through the utilization of LPR devices and the data derived from the devices. The LPR National Initiative is intended to utilize the capabilities to identify travel patterns and locate suspect license plates of the highest interest in law enforcement. The LPR Initiative uses enhanced technology to push LPR-origin information quickly in a useable form to all agencies, to include State and Local law enforcement.
