(b)(6) can we start on the language on the CVE sub for the FACA database and the HSAC web site. Also, need to give CMO the members. I am pushing the FPO on the tasking memo so hoping it will be soon.

Please wait until the Secretary has signed the memo and the FRN is published. I am pushing like crazy so very soon I hope.

(b)(6) I don't believe the website language has been finalized. Can we add the CVE to the latest version? Also, do we know if the private sector subcommittee members have all been notified?

(b)(6) can you give me a call to talk through FACA?
