Subject: Refugee screening question

Hey (b)(6) --

I'm participating in a panel today focused on refugees sponsored by Human Rights First. The event is on Capitol Hill and the audience will be primarily congressional staffers. I expect there will be discussion of DHS screening and resources (whether staffing and money are sufficient). Do you have any suggestions or points to send me on this -- also happy to jump on a call with you anytime between now and 1:30, if that would work for you.

Also, I have to admit I have made little progress on the CVE front. It would be good to try to have a call at some point soon with (b)(6) and you -- I think (b)(6) at least as busy as I am with work commitments.

Thanks, (b)(6)
