Great meeting you all today! Want to make sure we are on the same page for expected follow-up. attached is my list, feel free to add/edit/delete/comment based on your perspective:

- 1) PURF Report to S2
- 2) List of languishing recommendations to S2 (he may have said its ok to hold off on this)
- 3) Anything on UAS/drones? I forget.
- 4) Council on Women and Girls: blog from S1 or S2 on accomplishments for women's history month (not sure what action is needed on that now)
- 5) Calendar of celebratory months
- 6) How many people work at the NAC? (I'll handle this one)
- 7) Profile of leadership diversity. I believe this is limited to career SES?
- 8) CVE Strategic Implementation Plan (perhaps a shorter document summarizing, since S2 time is limited)?
- 9) Do we have a government-wide resolution to application of Windsor case (adjudicator who doesn't want to adjudicate for same-sex couples)?

OK, that's my list! Than
