Subject: Bi-annual Update to the DHS State and Local Law Enforcement Resource Catalog - Due Wednesday, January 20, 2016 (COB)

Good Morning:

Subject: Bi-annual Update to the DHS State and Local Law Enforcement Resource Catalog

Deadline: **Wednesday, January 20, 2016 (COB)**

Component: CBP, USCG, USCIS, USSS, TSA, FEMA, ICE, MGMT, S&T, NPPD, OHA, I&A, OPS, CIS Ombudsman, PRIV, CRCL, DNDO, OPA, FLETC, IGA, Blue Campaign, See Something Say Something, CVE, and PLCY Subcomponents

Background: The Office for State and Local Law Enforcement (OSLLE) would like your assistance in updating the *DHS State and Local Law Enforcement Resource Catalog*. Our state, local, tribal, and territorial law enforcement partners play a vital role in protecting the Homeland and DHS provides a large number of resources to support that effort. With your help, we can maintain the Resource Catalog as a useful tool for state and local law enforcement as they tirelessly work to keep our communities safe, secure, and resilient.

Volume I of the Resource Catalog was released in January 2013. The catalog is updated on a bi-annual basis.

Volume IV will be released in February 2016.

Action: Please review and update your Component's past submission of resources available to our state local, tribal, and territorial law enforcement partners. Updating the information in the Resource Catalog could include removing resources no longer available, adding resources not already listed, updating contact information such as phone numbers and email addresses, and/or fixing broken web links.

When adding new resources, please provide a brief description of the resource and directions for how readers can obtain more information. Resources could include equipment, personnel, training, posters, guides, websites, or multimedia resources.

****Important Note: In this year's update, you may notice that some programs/descriptions have been removed, while others have been shortened. This has been done both to keep the resource catalog at a reasonable length and to ensure that the catalog remains a list of resources for state and local law enforcement as opposed to general descriptions of DHS programs. If one of your office or component's programs has been removed and you believe it should be re-inserted, please re-enter it, along with a comment describing why the program is a resource to state and local law enforcement.**

Table of Contents/Appendix: You do not need to review or edit the Table of Contents or Appendix. Both will be updated by OSLE after all edits are submitted and reconciled.

All changes should be made with track changes. Please submit edits to (b)(6) and cc OSLE (OSLLE@hq.dhs.gov) and IGAExecSec (IGAExecSec@hq.dhs.gov).

Deadline: Wednesday, January 20, 2016 (COB)
