

Cell-Site Simulator Policy

Exceptional Circumstances

- § There may be circumstances, in which although exigent circumstances do not exist, the law does not require a search warrant and circumstances make obtaining one impracticable.
 - w Agents must obtain approval from executive-level personnel at Component's headquarters **and** the relevant AUSA.
- § Still must comply with the Pen Register Statute (18 U.S.C. 3121, et seq.) to be lawfully employed (**same procedures as discussed in Exigent Circumstances**).
