Subject: NSI Participation

Tom,

As you are, [REDACTED] and the Hennepin County Sheriff's Office are interested in being NSI Participants. We have had meetings with MNJAC and are continuing to make efforts to move forward. We have access to eGuardian and are considering that as the most attainable option for us to participate with the NSI process. Is there anything formal, such as training, policy development, or permission's we need to complete in order continue moving forward in this effort.

Thanks for your input and have a Happy Holiday.

Thanks again,

Deputy [REDACTED]
