Tom,

I have already been working with [REDACTED] at IIR about this. As I told [REDACTED] the hosting agencies invited local FBI agencies but the eguardian folks from DC were not invited to individual briefings. [REDACTED] was in contact however with [REDACTED] to receive materials for eguardian to pass out at the CEO briefing.

Thanks,
[REDACTED]

[REDACTED] would know best. The local agencies did the invitations, we'll have to check each one.

[REDACTED]-This is a RUSH item.

Thanks.
