Lets talk next week. We have noticed that none of our SARs are moving to the shared space.

Hi [REDACTED]

Hope this finds you well. Happy New Year.

A couple of weeks back, we had installed an upgrade to the Nebraska Shared Space that allowed the NIAC Analysts to push SARs from the NIAC Shared Space to eGuardian without the need to log into the NSI Search Tool. I wanted to find out if there were any questions that you had around this or if you wanted us to do a demo for your analysts about how this worked. This upgrade would enable your Analysts to send the SARs and also receive the eGuardian ID that was assigned to the SAR.

In addition, I needed to know who were the people that were authorized to push SARs from the Shared Space to eGuardian. The names that we have currently are :

Is this correct? If you can please let me know, I would appreciate it.

Thanks,
