Nancy, all --

We received the memo from the P/CL Executive Committee to Kshemendra Paul and Mika Resnick on Saturday, October 23. We had already begun to work on these actions at that time, but found the memo helpful in directing our focus.

Please find attached a spreadsheet which shows the Actions from the memo and the current status of these actions. We have been working diligently to address the concerns of the Privacy sub-IPC, and have indicated in the Update column where we are with each of the actions. I appreciate the "time-line" approach from the memo; however as we have worked these issues, we find that they are all interconnected and that they must be prepared in tandem with each other. However, you will notice that we have draft language and documents addressing each of the Actions.

All of the drafts and mentioned comments will be discussed tomorrow with Nancy. Once she has approved them, they will be forwarded to the entire committee. We expect to have a complete package of materials shortly.

Thanks,

I know we will discuss these items on Wednesday, but some Executive Committee members have been asked by their principals for updates.
