Yes, he mostly/entirely(?) seemed to cover that meeting. I will admit I spent part of the call just wondering why we were having it without you, so the objective of ensuring "Alex is fully engaged on this" was not accomplished in that regard... :-)

Alex

No worries! I'm happy to fill you in, as well. Although, I think you're aware of everything on my end. I think I covered it all when the Exec Comm last met.

Unfortunately I just started to respond to Alex's last question when someone terminated the call. I called back but no one was on.
