Re sharing it with Nancy – I see that you cc'd her on your original email! Thanks.

Thanks Tom – sorry I didn't respond to this sooner. I found it helpful when you provided it, and I should have said so.

As you know, during the call, I asked whether you were providing any information that Nancy did not already know about, and understood you were briefing us on information Nancy was already aware of. (I also looped back with Nancy following our call). Thus, I took the call and this follow-up email to be an opportunity for me – as Chair of the Executive Committee – to get a more granular, first-hand, understanding, directly from you, of the current issues so that I could have a better sense of what the PM-ISE (Kshemendra) had been dealing with.
