There have been at least 4 different meeting where the S7L have told the FBI that they will share with the JTTF but that they also have a responsibility to protect their towns and will share with other cities and states and will control the what gets shared consistent with local/ state laws, privacy issue and local expectations and community standards. (b)(5)

(b)(5)

The second meeting was in St Louis with the original 12 sites and the FBI. The total state and local group got up and walked out when Roger Morrison (FBI) told them they had to send everything to the FBI without exercising any review etc. (b)(5)

The third was in Atlanta where (b)(5)

Several Cities agreed to play like Chicago however.

The fourth meeting was in Indy and K was present and (b)(5)
