I assume you want to present the PPT PI Test findings. I sent it to you last week. (b) (6)

According to Tom M. he is expecting the FBI to talk more to this subject than BJA (i.e. what progress are they making towards their shared space). WE don't have any charts . What did you have in mind?

Are we going to use the PPT on this?

(b) (6), David,

Just a reminder that I would like any charts you plan to use at the Steering Committee by noon tomorrow. Also, please let me know if you won't be using charts.

Thanks,

(b) (3) (C), David,

I just wanted to let you know that we added an item on the agenda for the SAR Steering Committee meeting next Thursday for FBI and BJA to update the membership on plans for implementing (b) (3) (C). I assume (b) (3) (C) will have the lead although you and David can figure out how you want to tag team it. Appreciate if you could send me a copy of any charts you plan to use by sometime next Wednesday March 4 so we can send them as read ahead material to the membership and load them on our system. Please let me know if you have any questions.

Thanks in advance,
