Dave,

Comments, in green below:

I'm busy for a big chunk of the middle of the day Thursday, but available in the early morning and late afternoon. I'm also available second half of the day Friday.

Sorry for the delay in getting back to you on these items, but between the National FC Conference and Stimulus issues it's been hectic. I've also had time to think about the assumptions you've made and here are my answers:

I guess we missed last week. Any chance we can discuss it this week? Doesn't need to be face-to-face--can be phone.

Glad the issues are out there. I'm available Wednesday, not Friday.

The only way to hammer this out is to either have a call or meet. I'm in route to Chicago right now, but should have time either on Wed or Fri.
