Roger,

Ok. I think you were right that we don't seem to be moving as quickly as we would want. Challenging the team to meet the deadline may be a forcing mechanism.

Thank you for putting this proposal together. I will run this by my team on thursday morning. I want to ensure we can meet the timeline expectations you have proposed.

Roger and Tom,

I just wanted to follow-up on our discussion this afternoon regarding the way ahead for putting together (b) (5).

(b) (5) Based on the discussion and I think agreement from our meeting we have agreed to the following:

Let me know if this is your understanding as well. I am hoping that we can move forward to get this part of the Evaluation Environment completed.

Thanks,
