6, 7(C) and 6, 7(C) agreed to it. (b) (5) / (b) (5) That is correct. David's clean up will be forthcoming in the AM.

Here is the first response that reflects a tow hour session in Orlando with 6, 7(C), Lewis and myself. David expanded upon this and I have a few edits that I will go over with him at 3 PM to day and get to you.

Dave,

Last week I met with (b) (6), 7(C) to review a new proposal (b) (5) (SS). This email will describe the proposed process from an operational standpoint--I will defer discussion of the technical implications until later.

(b) (5), 7(E)

Here is my current understanding of where the new process is heading:

(b) (5)

Is that accurate from your perspective?

In terms of the technical implications, this is a significant change on our side. At this point we are still considering how it would be done.

Thanks!
