No problem. I am in the office all day. Call me is you have question or something needs clarification. Our tech guys have looked at the (b)5, 7(E) concept and their initial estimate is about 3 weeks.

Given your agreement to the proposed plan, and the requirement to provide the ISA IPC with an update, the previous language was modified only slightly to memorialize our agreement. My plan is to submit the attached document to the PM-ISE/Kshemendra Paul tomorrow morning. Please advise me if you have any concerns.

Thanks.
