Hi Tom and David,

Hope you are well. I wanted to report on the call and webinar that we had with (b) (6), (b) (7) of the NCRIC (San Francisco) who is with the FBI. The purpose of this call was to support (b) (6)'s visit to the NCRIC.

We are working with (b) (6) to get (b) (6), (b) (7)(C) and his team access to the NSI Search Tool.

I wanted to update you on the discussion today. Please let us know if you want us to anything else.

Randy, if you want to add anything to this please do not hesitate.

Thanks
