Morning! I am copying Patrick on this email due to my uncertainty on the answers for Items 2 and 3. I think the entity to receive the award will be IIR but I am not sure.

Pat, the PM initially set aside 350K for eGaurdian. We allocated 150K for BJA. The Bureau is saying that they are going to pass on the remaining 200K. Of that remaining 200K, how much more could you use in the training project.
