**Subject:** eGuardian - SAR Pilot Process Discussion

All,  
We will meet at the FBI Crystal City facility (FTTTF) at 1 PM on Wednesday, 9/10. Our address is 2345 Crystal Drive in Crystal City. I have attached a map that will get you from the Crystal City Metro station (Blue or Yellow Line). There is also parking in our building. The entrance to our building is at the end of 23rd Street. It terminates at the entrance to our parking garage. When you arrive, go to the 6th floor. There is a security desk inside the door marked (b)(7)(E), per the FBI. We are a semi-covert facility. Use the contact numbers below to get further info.

The purpose of the meeting is an in-depth look at the functionality of eGuardian and the SAR Pilot and how we might develop some process, policy and strategic synergies.
