Subject: National SAR Initiative - update

Mr O'Reilly

I wanted to follow up with you with more information regarding our continued commitment to support and participate in the National SAR Initiative.

Following our conversation a couple of weeks ago, I met with (b)(6) and discussed our participation as a direct contributor into the Information Sharing Environment (ISE). (b)(6) provided me with the background of the initiative and our work to date.

Thank you again for your time and attention to this matter. I am trying to arrange a trip to the D.C. area sometime later this year and hope to have the opportunity to meet you then. Otherwise, should your travels find you on the west coast, I would ask that you let me know so we can meet.

Best regards,

(b)(6)
