3, 6: thanks for getting back. The LA JRIC is fully integrated with LAPD SAR with a privacy policy, etc. The JRIC enters LAPD SAR data to the shared space via e guardian. Thanks again for the info, I will reach out to Maria.

Hello 3, 6. I am (b) (6), LAPD, assigned to the Los Angeles Fusion Center (JRIC). I have met you at a couple of trainings. Could you please direct me to the appropriate point of contact to assist me with the following:

- JRIC currently enters its SARs into the e-guardian/shared space server.
- How can we search the other 12 shared space servers?

The ability to search all the shared space would be a great tool for us.

I appreciate your time and can be reached at:
