Subject: RE: SARs in the eGuardian Shared Space

Hi (b) (6)

Hope things are well. I wanted to touch base regarding the SARs with attachments. We are investigating various mechanisms to conduct virus scanning of the SARs with attachments that are sent to eGuardian.

I wanted to follow up regarding the processing of attachments that came with the test SARs. (b) (5)

If you could please let me know your thoughts, I would appreciate it.

Thanks
