All:

Attached is a set of draft talking points for use in a call that we'd like to set up as soon as possible (perhaps even today or over the weekend) with relevant fusion center directors. The point of the call (b) (5)

(b) (5)

(b) (5)

I incorporated edits from FBI and BJA as much as possible into this draft.

Please pass along suggestions to Helaine and me. We're separately asking BJA to explore how to set up a call very quickly. We'll be in touch about that and will no doubt be looking for senior level participation for the call.

Thanks,

Jason
