Request No: 1152856-000
Subject: ACLU/DIOG INFORMATION

Dear Mr. Mittman:

The purpose of this letter is to advise you of the status of the above referenced Freedom of Information Act (FOIA) request. By letter dated December 22, 2010, we made a first interim release of responsive material to you. Additional material is currently being reviewed by an analyst. The analyst will confirm that all records are responsive to your request and apply exemptions allowed under FOIA. If your request is for sensitive national security information, then the records must undergo a systematic declassification review prior to application of FOIPA exemptions. Large requests take the longest time to be processed by an analyst.

You may inquire as to the status of your request by calling the FBI's FOIPA Public Information Center at 540-868-4593.

Sincerely yours,

David M. Hardy
Section Chief,
Record/Information Dissemination Section
