• (U//FOUO) FBI San Francisco successfully prosecuted the heads of one Sovereign Citizen organization, the Dorean Group. However, the organization remains a threat as these incarcerated individuals maintain contact with their associates and family members. This continued contact has allowed them to direct individuals on how to carry on their criminal activity.

• (U//FOUO) Much of San Francisco's intelligence related to White Supremacists comes from [REDACTED]
[REDACTED] There are White Supremacist groups in the North Bay Area and counties further north, East Bay Area, and South Bay Area.

(U//FOUO) Because FBI San Francisco has assessed that there is a threat from White Supremacists, Sovereign Citizens, and Militia groups, [REDACTED] will now be closed.
[REDACTED] has opened a [REDACTED] so all further investigation should be documented to that casefile (801I-SF-145094).
