We just wrapped up a meeting regarding the game plan for the VTC Friday with Director Mueller. I'm going to build a scripted PowerPoint presentation and at certain points in the briefing, representatives from the field will brief specific slides.

[redacted] asked me to reach out to you to get copies of the side-by-side comparison slides that SF created regarding [redacted]. I will integrate your slide material into the briefing. I will also use time line format slides from [redacted] group at [redacted]

We are working under a compressed schedule because I need to get the draft PowerPoint slide show out to the participants asap. So please contact me as soon as possible.

Thanks,
