Model Field Offices,

A video teleconference (VTC) is scheduled for Friday, 01/13/2006, at 1:00 p.m. (E.S.T) for the five Model Field Offices: PG, CE, LR, MM and SE. The [redacted] Managers (ASACs) [redacted] Coordinators [redacted] participate in the VTC. The following is a list of VTC agenda topics:

[redacted]

b7E

Please be prepared to discuss the following model Field Office task plan expectations during the VTC:

[redacted]
Feedback on the process flows;
Feedback concerning the priorities of the Field Offices relative to HQ priorities;
Recommendations for additional data sets to support the pilot, and;
Feedback on the task plan (especially for the week of 1/23).

[redacted] sets, and be prepared to discuss the priorities of the [redacted] Divisions compared to those in your individual offices:

[redacted]

b7E

Each office will be provided a listing of the data fields for each [redacted] data set currently available for the Pilot. Please be prepared to identify any new data sets during the VTC.

The VTC location for the FBIHQ [redacted] personnel is in the [redacted] Executive Conference Room.

Thank you for your cooperation in this endeavor;
