(U) BACKGROUND

(U) The FBI has traditionally derived [redacted] primarily from our cases. Since September 11, we have made tremendous progress in analyzing the [redacted] we collect and sharing it with our law enforcement and [redacted] partners. But continuing to rely on our cases for [redacted] provides an incomplete understanding [redacted]

b7E

(U) The FBI is responsible for [redacted] in the United States to protect our nation from harm. To do this, we must focus our resources on our nation's [redacted]
