(U//FOUO) In order to fully assess the domain, the following investigative techniques will be utilized:

- Obtain publicly available information;
- Access and examine FBI and other DOJ records, and obtain information from any FBI or DOJ personnel;
- Access and examine records maintained by, and request information from, other federal, state, local, tribal, or foreign governmental entities or agencies;
- Use online services and resources;
- Use and recruit human sources in conformity with AG Guidelines regarding the use of FBI Confidential Human Sources;
- Interview or request information from members of the public and private entities;
- Accept information voluntarily provided by governmental or private entities;
- Engage in observation or surveillance not requiring a court order.

(U//FOUO) Information collected from the above listed techniques may be processed and mapped in Once complete, the Domain Intelligence Note and Common Operational Pictures (COPs) will be documented in the above captioned file.
