Hi John,

Sorry to take so long in getting this to you. The Oakland data is very preliminary. We anticipate finishing that work in December/January.

Let me know if you have any questions.

I quickly mentioned to you that I was interested in seeing data that you might have regarding other cities. If possible, could I get a copy of your presentation and any other data you have regarding other cities within California.

Additionally, please feel free to contact me if there is anything I can assist you with.

Thank you,
