Title: COMMUNITY OUTREACH PROGRAM
SAN FRANCISCO DIVISION

Synopsis: To document writer's meeting with representatives from the Greater Bay Area Make-A-Wish Foundation on 08/06/2009 in San Francisco, CA.

Details: On 08/06/2009, writer and SA [REDACTED] met with representatives from the Greater Bay Area Make-A-Wish Foundation, 235 Pine Street, 6th Floor, San Francisco, CA, 94104-2745, telephone (415) 982-9474, to discuss the San Francisco Division's outreach programs. Writer provided information on the Citizens' Academy, speaker series, and youth initiatives. Writer discussed some of the past outreach events the Division has participated in and offered the San Francisco FBI as a resource to the foundation for any law enforcement related "wishes" located in the Bay Area.

[REDACTED] advised writer that they receive numerous wish requests throughout the year both domestic and international. Each requested is vetted to ensure that the recipient meets the criteria and has not previous received a wish by the Foundation or any other wish giving program. All Make-A-Wish candidates must be between the ages of 2 ½ - 18 years old. The Foundation's goal is to try and grant each wish received by a chapter. The average cost for one wish is \$10,000 which is received through in-kind donations. The Foundation's mission is to grant wishes of children with life-threatening medical conditions. There are currently 69 chapters of the Make-A-Wish Foundation in the United States. The San Francisco chapter serves 17 counties and is currently the largest chapter
