When cultures clash!

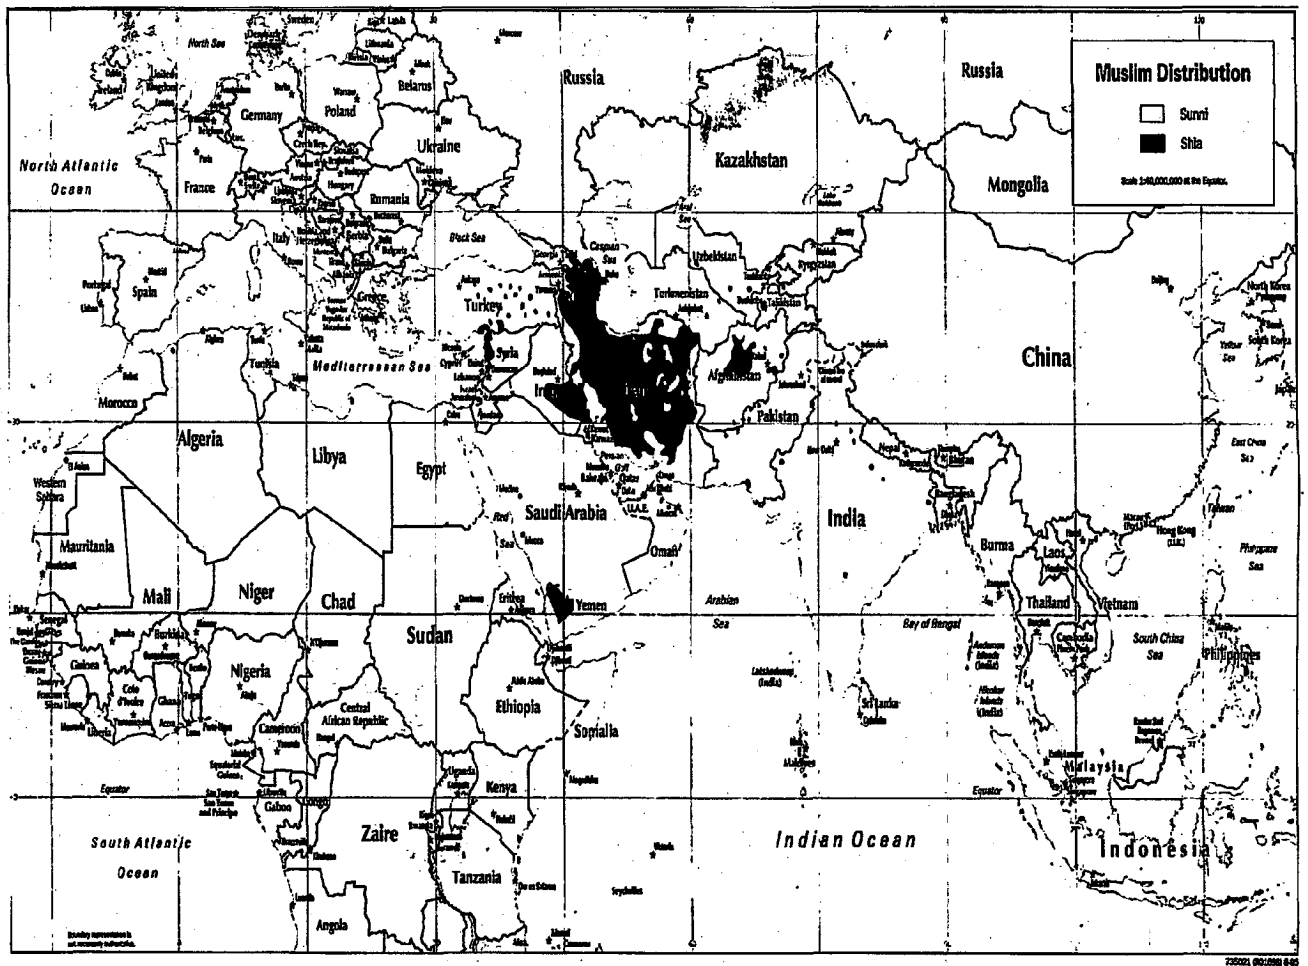

Response to Burger King Ad: "This is my jihad. I'm not going to rest until I find the person who is responsible. I'm going to bring this country [Britain] down."

The Council on American-Islamic Relations pounded Nike into recalling 800,000 shoes because the English word "Air" in its logo allegedly resembled the Arabic lettering for "Allah."

AQ's Ideological Foundations

- No Separation of Church And State
- Islam Is A Way of Life Not Just A Religion
- Sharia law is the blueprint for ideal Islamic society
- Eradicate Those Opposed To Their Ideology
- Jihad Is The Means To Bring About Global Islam

The Case Against the West

Arrogance, insensitivity toward other cultures

Unbalanced foreign policies, favoritism toward Israel

Resentment over economic success, political and military power, commercial exploitation

The Case Against the West

Disgust over lax morals: alcohol consumption, suggestive dress of women, commercialization of sex

Economic sanctions against Muslim countries

Lengthy stationing of US troops in Saudi Arabia/Middle East

Support of repressive, corrupt regimes due to Western greed (oil)

Seven-Step Plan

5) Declaration of Caliphate

- 2013-2016
- Weakened West can't/won't resist

6) Total Confrontation

- 2016-2020
- Islamic Army will instigate fight world wide
- "Believers v. non-believers"

7) Definitive Victory

- Approx 2020-2050
- War of 2016 only lasts two years
- Unrivaed Islamic State

28

Seven-Step Plan

- Western Options?
 - Blitz? Nukes?
 - Withdrawal?
 - Others?

- What does defeat in IQ mean to al Qaeda?
 - Harm Credibility/ Mystique
 - Possession of Losing Ideology
 - Abandoned by God

“The Sword Verse”

[9:5] And when the forbidden months have passed, slay the idolaters wherever you find them and take them captive, and beleaguer them, and lie in wait for them at every place of ambush. But if they repent and observe Prayer and pay the Zakaat, then leave their way free. Surely, Allah is Most Forgiving, Merciful.

Diagram of Judgment Day

The Bridge

Righteous people will fly over it. Others will be cut by razor edges as punishment for evil. Some will be snagged and will fall in Hell.

The Heights

For people who are too good to go to Hell but not ready for entry to Heaven. A fixed term must be served

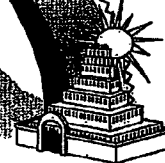

Judgment Day

World Ended. Dead raised. Everyone will be sorted by beliefs. Record is read. Witnesses come. Recompense is given. Deeds are weighed. Mercy is bestowed. The final verdict is given.

Hell-fire

Drop into the pit and land in one of seven levels of punishment. Although some may be released, others will stay in the fire forever.

Heaven

Enter the gates and recite what you know of your Prophet's revelation. You will move upward to one of seven levels and find your home there. Rewards and pleasure are yours for eternity.

Five Pillars of Islam

- Shahada—confession that there is no God but Allah, and Mohammed is his prophet
- Selah—ritual prayer
- Zekah—alms for the poor
- Sawm—fasting, especially during Ramadan (the month when Gabriel revealed the Koran)
- Haj—pilgrimage to Mecca
