Intelligence Note, Top Threats to the LARA Area of Responsibility

(U)

b7E 5

Details: (U) The 2008 Attorney General Guidelines for Domestic FBI Operations authorizes the FBI to engage in planning and intelligence analysis to facilitate investigative activities to detect, obtain information about, or prevent or protect against federal crimes or threats to the national security or to collect foreign intelligence, as well as to enhance planning on means to disrupt and dismantle. Activities the FBI may carry out as part of this process include collecting information to improve or facilitate "domain awareness" and engage in "domain management."

(U//FOUO) This RAIN will seek to determine the scope and nature of top threats to the LARA area of responsibility.
