OPERATIONS COURSE TASK ORDE	R
ROLE PLAYERS/INSTRUCTORS	

Contract No.: Task Order Number: 006
Contractor:
Contractor POC: Phone: Fax:
COTR: MAPA
1.0 PURPOSE OF TASK ORDER
This defines the need the Federal Bureau of Investigation (FBI) Counterintelligence Training Center (CITC) has for a Contractor to provide 6 CI Role Players for practical exercises involving operations in up to three iterations of the Operations Course The course is designed to provide FBI personnel,
2.0 PLACE OF PERFORMANCE/BASE LOCATION
This Task Order will be executed
All efforts associated with this task that do not involve the active participation of FBI employees shall be performed at the Contractor's facility, unless authorized in advance by the COTR or CITC POC. Discussions between the Contractor and FBI personnel may be held at the Contractor's facilities, FBI Headquarters, and/or the FBI Academy.
All site visits to FBI facilities must be arranged in advance through the CITC POC. All Contractor visits to locations outside areas specified in the Contract must be authorized by the COTR and arranged in advance through the CITC POC prior to any such visit taking place.

3.0 PERIOD OF PERFORMANCE

The period of this Task Order extends from December 2005 through June 2006, and includes up to 3 iterations of the 1-week course, starting in early January 2006. CITC

personnel will help Contractor Role Players prepare for their roles over a 16-hour (2-day) period in December 2005 prior to the start of the first class in January 2006. *No other preparation time will be necessary.*

4.0 SCOPE OF TASK			
During each iteration of Operations course, Contractor CI Role Players will serve as instructors and role players for practical exercises, comprising scenarios, designed by CITC, performed with groups, each consisting of FBI personnel students total). CITC anticipates offering 3 iterations of Operations course from the beginning of January until the end of June 2006 (for total students trained).			
CITC instructors will provide Contractor CI Role Players with the background information they will need to portray a variety of role-play characters during each iteration of the course. During two 8-hour preparation periods to be scheduled in December 2005, CI Role Players will receive and learn the specific role-play scenarios for the first course iteration, expected to commence in early January 2006.			
The role-plays will occur in various public locales Each exercise will last approximately during which the CI Role Player will perform the scenario Thus, with students divided			
into groups each of the students in the group will have an opportunity			
each scenario, the CI role player will spend a total of approximately introducing the scenario to the students executing the scenario counseling to the students. The minutes devoted to role-playing versus feedback are averages only, recognizing that the first student generally requires more feedback than those who follow			
5.0 TASK DESCRIPTION			
CITC needs Contractor to provide 6 CI Role Players to execute role-play scenarios developed by CITC (equaling total of role-playing), to a total of FBI students, for each iteration of the course. CITC anticipates running up to 3 iterations of the course between January 1, 2006 and June 30, 2006.

	as 10110WS.	
	•	b7E

Contractor CI Role Players will likely perform role playing and feedback sessions both alone and, at times with a CITC instructor present (as a monitor and/or evaluator).

Contractor CI Role Players will be responsible for

- Their own transportation to and from training sites, as well as for meals/refreshments taken during the course of the role-playing scenarios
- Bringing all props necessary for their personal disguises, if needed, to each session

ACLURM02247

b1 b7E

Counterintelligence Training Center ...

Contractors submitting proposals for this Task Order are to submit the names and qualifications of a pool of proposed CI Role Players, so that availability for specific times and dates does not become an issue. Contractor must be prepared to fill the blocks of practical exercises on the date and time at which they fall in the schedule, not at the convenience of the CI Role Player. CITC, however, will make every effort to coordinate course dates with the Contractor CI Role Players before committing to a specific week.

In submitting personnel for consideration as CI Role Players for this Task Order,	
proposals should detail their specific experience/success	
as appropriate.	

6.0 GOVERNMENT-FURNISHED INFORMATION (GFI)

Upon award of this Task Order, the COTR will provide the following GFI to the Contractor CI Role Players:

- Preparation (dates in December 2005 to be coordinated with Contractor CI Role Players) for the specific scenarios and feedback/evaluation mechanisms to be used
- Copies of each scenario
