RA Territory Facilities

b7E

b7E

Vulnerabilities Identified

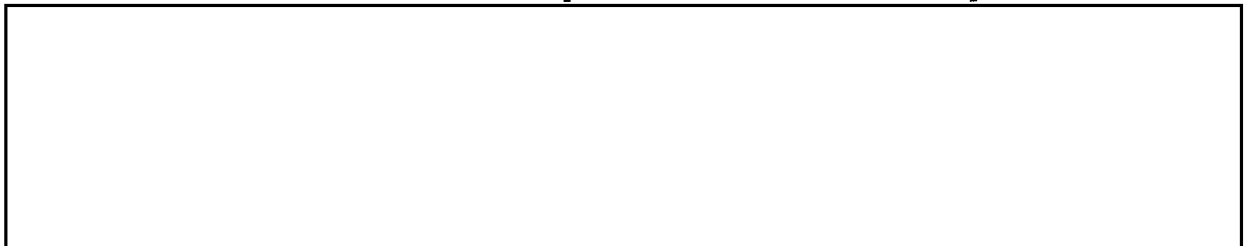

- Law Enforcement Apathy
- Lack of Training for Private Security
- General Public – “It can’t happen here” and “The terrorist don’t know about us”

Solutions

- Once a vulnerability is identified we provided TRAINING
- Training of Private Industrial Security
- Training of local law enforcement
- Training of the local citizens

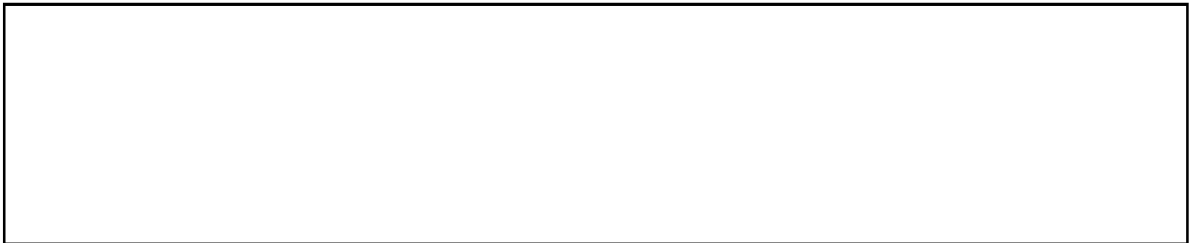

Money vs Security

- We are an Open Society
 - Facilities next to public roadways

b7E

- Public access on water front

b7E

Public Education

- Citizen Police Academies
- Civic Groups – neighborhood watch, Rotary Clubs, Crime stoppers, etc
- Schools – high schools and college campuses
- Company safety meetings

Industrial Security Personnel

- Provide training in what is suspicious activity –

b7E

- How to collect the information
