

"CAMPUS POLICE"

b7E

PRESENTED AT
THE

BY
Chief Paul F. Glowacki and Chief William F. Taylor

LEARNING OUTCOMES

- Participants will have a working knowledge of the law enforcement resources (campus public safety, campus security, campus safety and campus police) in a higher educational environment.
- Participants will get an understanding of the information that is available through campus police in a higher educational environment.
- Participants will get an understanding of communication barriers in a higher education environment because of enacted legislation.

LEARNING OUTCOMES

- Participants will see the campus police or campus security authority as a valuable resource and as a first step to establishing rapport in a higher education environment.
- Participants will see other resources that are available on campus through working with the campus police.
- Participants will get an inside view of the hierarchy in a higher education environment and barriers that may affect gaining information.

LEARNING OUTCOMES

- Participants will get a better understanding of the professionals working in a campus police/security department and their experiences that would benefit [REDACTED] in a higher education setting.

b7E

Institutions of Higher Education are Unique Communities

- Small (to large) cities
- Self governed
- Faculty are a major influence
- No two are the same

Variables Amongst Institutions

- Public vs. Private
- Two Year vs. Four Year
- Educational vs. Technical
- Education vs. Research
- Rural vs. Urban
- Single Campus vs. Multiple Campuses
- U.S. vs. International

Public Institution Variables

- State vs. County/Community
- Land Grant vs. Other State Institutions
- Systems vs. Individual Institutions

Private Institution Variables

- Not for Profit vs. Profit
- Religious vs. Non-Religious
- Open Campus vs. Closed Campus

Variables in Campus Law Enforcement

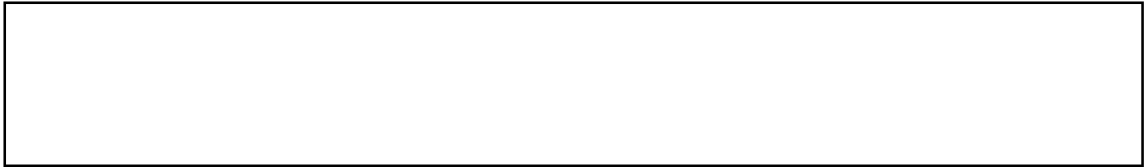

- Sworn vs. Non-Sworn
- Armed vs. Unarmed
- Report to Student Affairs vs. Report to Administration
- Authority limited to Campus vs. Authority Off Campus
- Police vs. Public Safety vs. Security vs. Nothing
- Proprietary vs. Contractual

Types of Records (Information) on Campus

- Public – Directories, Event Schedules
- Academic Records – Grades, Class Schedules
- Student Records – Disciplinary Records, Activities, Home Addresses
- Police Records – Arrests. Police Reports

Federal Laws Impacting University Records

- Family Education Rights and Privacy Act (FERPA)
- Health Information Privacy Protection Act (HIPPA)
- Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA), Section 641, Student and Exchange Visitor Information System (SEVIS)
- The Patriot Act

Institutional Concerns

- Tendency to distrust Government Agents, Military and Law Enforcement
- Generally Liberal even when Administration is Conservative
- Open Access to the Public While Closed to Public Scrutiny
- Rumors Run Rampant

Other Campus Entities With Which You will Interact

- Academic Departments, instructors and staff
- International Students Office
- General Counsel
- Student Affairs
