

Group Analysis Protocol Exercise

The following is a non-graded, in-class exercise designed to familiarize you with the Group Analysis Protocol (GAP). You will be asked to answer various questions with regard to a video you will be shown in class. The video does not necessarily depict a terrorist group and is used solely as an example in this group dynamics exercise. Please read over the questions prior to the start of the video so you are prepared to answer them at the conclusion of the tape.
