Dear Ms. Mass:

This acknowledges receipt in the Department of Homeland Security (DHS) Privacy Office of your Freedom of Information Act (FOIA) request that you addressed to Federal Bureau of Investigation (FBI) seeking records relating to the investigation and surveillance of Muslim communities in Northern California.

The FBI referred your request and three documents to this office for processing under the FOIA. This request was received in the DHS Privacy Office on June 5, 2012.

Please note that one of the records, Homeland Security Advisory Council's *Report of the Future of Terrorism Task Force*, is located publicly on our website for your viewing: <http://www.dhs.gov/xlibrary/assets/hsac-future-terrorism-010107.pdf>; accessed June 12, 2012. Pursuant to 5 U.S.C. §552, DHS need not make available under the FOIA records that are publicly available.

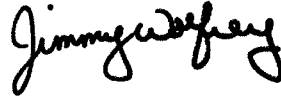

As it relates to the two other documents, I have determined that one is under the purview of the DHS Office of Intelligence and Analysis (I&A) and the other is under the purview of the Federal Emergency Management Agency (FEMA), both DHS components. Therefore, I am transferring your request and applicable documents to the FOIA offices within DHS I&A and FEMA for processing and direct response to you.
