Gents,

I feel like there's a bit of the telephone game going on here. So that we're all on the same page, here's my current understanding:

(b)(1),(b)(5),1.4(a),1.4(b)

(b)(1),(b)(5),1.4(a)

Please correct me if I got anything wrong or if your understanding of the state of play is different.

V/r

ALCON,

I'm not tracking the CAUI language. Also, just talked with Lt Col (b)(6) Chairman's Legal (cyber portfolio), and he wasn't tracking that either.

I asked J37 about the latest staffing for the Shabwah proposal. They're going to send me what went to OSD enroute to the SecDef. I'll look for the CAUI language in there.

V/r,
