For AF Review: Sahel WG Proposals and Tracker

Attach:

Sahel Proposal Tracking Sheet.pdf, Sahel Proposals For Review.zip

Hi all,

As you know, CT nearing the end of our latest proposal solicitation process. Attached, for AF/RSA review, please find: 1) a zip file containing all the proposals that we've received to date for the countries of the Sahel, and 2) a pdf tracker that summarizes them all.

We welcome AF's feedback and comments on these. There are 28 proposals here, so we understand this may take some time. Just so you know, we will be meeting internally here at CT to discuss all of these at 3PM tomorrow. To the extent you have any comments on these you'd like us to consider, please let me [Redacted] know. Otherwise, if we could get your feedback by COB on Friday, that would be great.

Please let me know if you have any questions!

Many thanks,
