Dear [REDACTED] and Colleagues,

Thank you in advance for the opportunity to submit a proposal for follow-on work on the project, "Women Preventing Violent Extremism in Kenya and Nigeria." We appreciate your feedback to date, and all of your valuable inputs to this pilot project since 2012. We now look forward to your response to this proposal for follow-on work.

We stand ready to answer queries and to engage further with you all. Please know that the proposal is attached. In addition, the Women Preventing Violent Extremism—Charting a New Course action kit is attached. It is one of the deliverables of the WPEV project. We thought it may be a useful companion piece for reflecting on this proposal and work moving forward.

Best regards,

Kathleen Kuehnast
