All: Thanks to those who joined today's meeting. I made a few updates to the Implementation Matrix (attached) based on our discussion. I still need to add a "partners" column. Please let me know if you have any additional updates.

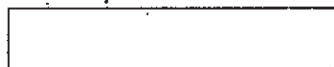

I also set up our CTWG distro – see TO line. I hope we can use this to share relevant updates and documents (e.g., SGI reports, RLA updates, GCTF readouts).

Thanks,
